ITEM		ACTION
1.	Apologies	
	Apologies for absence were received and accepted,	
2.	Minutes of the last meeting were approved with no matters arising.	
3	Jeremy Nobbs gave his CRC Report. Having previously circulated minutes.	

4	General end of Season Debate.	
	Then followed an open discussion on training and educational courses that would benefit all Clubs: These courses to start A.S.A.P.	
4.1	It was thought that some clubs lacked the amount of coaches and volunteers who were qualified to carry out certain activities and that an education and training on courses should be held.	
	Points raised were numbers of attendance it needs to hold courses.	
	It was thought that we should pool recourses and carry courses/training out as a collective group.	
	This would help with clubs taking turns to arrange and hold these courses so no one club would have to organise all courses only for another to do the same.	
	Three areas were identified to act on now with others added at future meeting with other clubs organising and holding the courses.	
4.1a	1 st Aid Chris Pugh of Crowborough to organise a 1 st Aid course for all clubs in the SERCDP area.	
	Course to be held at Crowborough and all members of the SERCDP will be informed of time and date in good time of the event.	
4.1b	ELRA Refs course. Jeremy Nobbs to hold at Eastbourne.	
	Dates and times TBC. JN to let all clubs know A.S.A.P and in good time.	
4.1c	Proposed other courses are Strapping, Scrumaging and Line out. More information to be discussed at next meting.	
	Calendar of courses to be put together and listed for the forthcoming Season.	
4.1d	Level 2 Coaching Courses These are held every 2 months and JN to bring future dates and venues to next meeting so we can get all clubs a good number of coaches up to this level for furthering club expansion and Seal compliance.	
	Dave Jenkins asked for a new contact list from all clubs associated to the SERCDP	
4.1e	This would help attendance and communication between the clubs.	
	People have come and gone since the last list was put together and it was thought that to stimulate attendance a
