

## **SUSSEX RUGBY UNION COUNTY FACILITY PLAN 2010 - 2011**

### **Sussex Rugby Union County Facility Plan for Year 2 April 2010 to April 2011 and provisional programme for Years 3 and 4, 2011 through to April 2013**

A quiet summer has followed my last Report in April of this year with very little happening on the question of club facilities throughout Sussex. Few clubs have informed me of any material changes to their already announced plans to provide new or carry out improvements to their facilities.

The following clubs are in the process of making changes to previous plans and proposals.

#### **Horsham**

Plans for a new clubhouse have been shelved in favour of re-constructing their existing clubhouse to provide new and better changing room facilities. Details of their proposals are awaited.

#### **Bognor**

Some improvements to the existing showers and redecorations are presently on hold pending further discussions. Improved training lights completed with financial aid received from the WSCC

#### **Worthing**

Proposed extensions to clubhouse on hold

#### **Eastbourne**

Improvements to clubhouse being considered

#### **Newick**

Pitch improvements being planned

#### **Uckfield**

Pitch improvements being planned

#### **Crowborough**

Start date of new clubhouse slightly delayed pending funding arrangements

#### **Hove**

Extension to clubhouse and new changing room facilities nearly underway

A note to all clubs will go out shortly requesting an update of their future plans for improvements to their facilities. This will be reported on at the next General Meeting of the Sussex RFU

PR Mercer

County Facilities Officer
